A Prayer for the Gulf Coast

*on the First Anniversary of the
Deepwater Horizon Disaster*

Almighty Father, creator of Heaven and Earth,
We come to You today on the anniversary of the
Deepwater Horizon Disaster to ask Your Blessing.
Heavenly Father, be with the families of those who
died in that tragedy, and comfort them with
Your Peace even in their darkest hours.

Holy Father, heal those whose health has been
injured as they worked to clean the waters and
save our precious wetlands and wildlife.

Heavenly Father, be with those who lost their jobs
in the aftermath of the oil spill. Reach out Your
Hand to protect and support them during this
difficult time.

Holy Father, guide and bless those who are
tirelessly working to restore the damaged beaches,
bayous and marshes. Give them the resources they
need, and the wisdom to use those resources well.

Heavenly Father, we ask this with thankful awareness
of all that You have done and continue to do to help
those who struggle as a result of this disaster.

In the name of Christ Jesus we pray,
AMEN.
