We, the undersigned, support the nonprofit Community Center of St Bernard in its efforts to find a permanent facility where it can continue to provide essential services to the citizens of St Bernard.

Since 2006 the Community Center of St Bernard has been here to help St Bernard families. The Center offers important services like food, clothes, medical care, legal aid, and financial literacy classes to help local families get the help they need, right here in St Bernard Parish. The Community Center is a vital organization that helped more than 6,600 St Bernard residents in 2009 alone. The many services that the Center provides to parish individuals and families are essential, and contribute to the well-being of the Parish as a whole. For these reasons, I am proud to sign my name in support of the Community Center of St Bernard.
